- why sanction should not be sought for the continuance of his services during 1942-43 -- Submitted for orders.

22/10/42 3) In the usual course of the Bill Collector in the Nellisale Circar the post should have been advertized and filled up according to the rules of recruitment. Instead of this, the D.C. has proposed to appoint a local candidate on the grounds that he is experienced in this line of work, & that even if advertized it is difficult to secure persons who would stake as much as the present incumbent would have to give a cash security of Rs 10/- p.m. & as the incumbent would have to give a cash security of Rs 100/- also. He states that the present incumbent Sri Narasimha Iyengar possesses the minimum qualifications required for the post of the Bill Collector & he has passed the Mysore Lower Secondary Examination & as recommended by the D.C. Sanction may perhaps be accorded to his continuance during 1942-43 as a special case, with a direction that the post is to be filled up according to the recruitment rules beyond that period.

A Adverting to G O No L 2542-3/ML 9-41-58 Dated 1-9-1942 sanctioning the continuance of the services of the Bill Collector of Melkote Municipality during 42-43, I have the honour to state that B Narasimha Iyengar a Local Candidate had been appointed to act as Bill Collector from 6-11-1939 and his services were continued during 41-42 as per this Office Memo No A5 1394/41-42 dated 13-12-1941 The President, Melkote reports that the Municipal Council have resolved that as the arrears are still heavy, the present Bill Collector may be continued during 42-43 The President also recommends that as Narasimha Iyengar has got full local knowledge and has gained sufficient

P T O

collection of the arrears

2 I agree with the opinion of the President, Melkote Municipality that it is better to continue an experienced man in preference to a recruit The post of Bill Collector is one carrying a pay of Rs 12/- only and the incumbent appointed has to furnish a cash security of Rs 100/- Even if the vacancy is advertised, it will take quite a long time to fill it up as it is difficult to secure persons who would stick on In the circumstances, I recommend that sanction of Government may kindly be obtained to continue the services of B Narasimha Iyengar, as Bill Collector during 42-43 as a Special Case

3 As regards the qualification of the Official it is reported that he possesses the minimum qualification for the post of a Bill Collector as he has passed Mysore Lower Secondary Examination and has studied up to Vth form

4 A copy of the resolution of the Municipal Council is enclosed for kind perusal

I have the honour to be,
Sir,
